

Outdoor World Retreat Testimonials

We just wanted you to know what a great weekend we all had at your campground. We were very impressed with everything you have to offer. My kids are still talking about their ride on the fire truck and being able to watch Are We There Yet. You made us feel very welcome and comfortable.

Thank you for all the hard work I'm sure you have put into making the park such a nice place to come and stay. I have already called 4 families and passed on your info to them and we are trying to get a date together so a group of us can come up together. Good luck with the swimming pool.

We are looking forward to coming for another stay and using the pool.

Sincerely,

The Torres Family - Mario, Brandi, Anastacia, and Cruz

Just a short note to let you know how much the Goodtimers enjoyed last weekend. When our Coordinator, Betty Lawrence arrived, the first thing that she said to me was "This reminds me of the times I went camping with my family, many years ago".

I think that just about sums up everyone's reaction. The members all said that they want to come back there again.

Again, thank you and Dimitri for the effort in getting every thing ready for us. It was greatly appreciated. I know that it took a lot of time and hard work. You are certainly dedicated to operating a quality park.

Host Goodtimers RV Club**

Boy, did I need a get away after tax season and long days and weeks of work! My son always chooses this vacation spot and this time he chose Outdoor World RV Park. So off we trekked on April 16th in our rented RV and stayed for five days.

It was incredibly relaxing and peaceful, and the staff were all very helpful. We hiked, read books, played games. My son enjoyed chopping wood and whittling with his pocket knife. I loved the big oak trees, which provided wonderful shade. It was nice to have such big spaces for RVs. We enjoyed many fun activities nearby. Peter, my 12 year old, enjoyed himself so much; he wants to move there!

I have been living here for 18 years and couldn't imagine living anywhere else. I feel so protected!
